The Department of Fraternity and Sorority Life oversees all recognized social and cultural interest fraternities and sororities. Staff within the department provide advising and support for the 55+ organizations, student leaders, and four student governing councils: the Interfraternity Council (IFC), the Multicultural Greek Council (MGC), the National Pan-Hellenic Council (NPHC) and the Panhellenic Association (PHA). The department also manages the 20 university-owned fraternity and sorority houses and The Agora, which is a programming space for students within MGC and NPHC chapters. Additionally, the department provides resources for the off-campus fraternity and sorority houses.
